AZIMUT S7

DESCRIPTION

This 21-meter yacht boasts triple IPS propulsion engines and advanced carbon fiber construction. This combination ensures exceptional strength, reduced weight, and superb stability. The yacht features an impressive foredeck and a stylishly modern interior. Its design offers a unique blend of indoor and outdoor spaces. The flybridge features a large sun pad, and the bow cap allows sunbathing and shaded relaxation. The aft area is perfect for alfresco dining and lounging. Inside, the salon's modern decor offers a five-star lounging experience. A teak-coated swim platform is ideal for sea access and enjoying water toys, including a Seadoo and Seabobs. Its stern garage can hold both a tender and a Seadoo, maximizing space for enjoyment and relaxation.
