FJORD 44 OPEN

WELCOME

The Fjord 44 Open is the star of the Fjord Range. This is principally due to the fact that it provides solutions that its predecessor, the Fjord 40 yacht could not offer. The success is such that many other shipyards have caught on to the Hanse tendency and are trying to emulate our Fjord 44 even to the smallest details. This model retains the distinctive Fjord DNA and transmits originality in every detail. After a decade of development Fjord has reached the level of excellence in design. The stairs which are built into the platform unfold to offer comfortable steps communicating the submerged platform with the main deck. Another major feature of the boat is the Sunbed which is separate from the seating. This new layout permits the seating area and sun bed to be used simultaneously. The yacht also accommodates a large storage area accessible by means of a hydraulic hatch under the rear sunbed where you can store all your toys. The Fjord 44 open has become the ideal boat of its size for day cruising.

BUILT/ REFIT	2020
LOA	13.45 M
GUEST	8
