PRINCESS 64 FLY

WELCOME

The deep-V hull of the Princess 64 uses the latest infusion technology to reduce weight and improve efficiency. She delivers a performance that is fast, agile and highly competent yet behind her sleek, sporty profile hides an incredibly spacious four cabin motor yacht. Whether relaxing or entertaining the exterior of the Princess 64 provides exceptional space and flexibility. The teak-laid flybridge creates a relaxing entertaining space with a large teak table for alfresco dining, generous seating and full wet bar with barbecue. A second table in the cockpit offers an alternative location to eat or relax, shaded below the flybridge. Her interior is light, welcoming and impeccably finished with the finest fittings and materials.
